What is Public Health?

Public Health is protecting people's health and promoting healthy lifestyles and behaviors.

For the Gasconade County Health Department this is accomplished through education, assessment, providing direct services, and assuring compliance of state and local public health mandates.

The following list includes some of the services we provide:

- Immunizations; TB Screening
- Pregnancy Testing
- Blood Pressure, Blood Sugar and Cholesterol Screening
- HIV Testing and Counseling
- Lead Screenings
- Communicable Disease follow up
- WIC - (Women, Infants, and Children) food supplement program
- Birth and Death Certificates
- Inspections of Restaurants, Licensed Daycares, Lodging, and Retail Food Establishments
- Water Test Kits
- On-site Water Testing
- Sewage Inspections
- Public Health Emergency Preparedness
- Flu Shots
